# ***HIGHLIGHTS for 2016***

- New 4-man team formats include the 3-2-1 Best Ball and the Hero-Bum Best Ball. This also allows the opportunity to form your own team! You may sign up individually and be paired up or bring your own team of up to 4 players.
- New “Super Senior” qualifications. If you are 70+ years old you now have the option of playing the White tees. (used to be age 80+) For more information, see “TEES” on the next page.
- Tees played is based on handicap index, rather than waiting to see the breakdown of flights and then determining tees.
- Member-Guest on the calendar for June 11th
- Added “Closest to the Pin” contest for the Thursday Skins Game and the option to play the Black tees.
- Ties for prize winnings in stroke play events will be broken by a scorecard playoff using the USGA preferred method of comparing the last nine hole scores first, then last six holes, then last three holes, and finally the 18<sup>th</sup> hole (unless otherwise noted i.e. Club Championship). One-half, one-third, one-sixth, and one-eighteenth Course Handicaps will be deducted. If still tied, scorecard playoff will continue with #1 handicap hole, #2 handicap hole and so on. Last year all scorecard playoffs started with the #1 handicap, #2 handicap hole, and so on.
- Additional prize money and points added to the Individual Match Play Consolation Bracket.
- Players earn an automatic bid into the Players Championship by finishing in the top 20 on the Points List, by winning their flight in the Club Championship (gross champion each flight), or by winning the Individual Match Play Championship. This is a free event for those that qualify.
- Added Individual Stroke Play event to play alongside the Players Championship for all players not playing in the Players
- 25% discount off regular price of clothing & headwear for all Men’s League players through 2016. *Clubs, bags, balls, and shoes already discounted*
- Multiplied Points for certain events leading up to the Players Championship, making those events more valuable and bringing more players into contention at the Players Championship.

**REMINDER! To be eligible to play in the Club Championship, you must have played in a minimum of 3 tournaments prior to the Club Championship. Playing in a Thursday Skins Game will count as ½ tournament (6 Skins Games = 3 Tournaments). Any combination of tournaments and Skins Games that add up to 3 tournaments will satisfy the requirement**

## TOURNAMENT ENTRY PROCEDURE:

Registration for each tournament is done by paying the Green Fee(s) and Entry Fee. This can be done in person at the Golf Shop, or online at [www.indianpeaks-golf.com](http://www.indianpeaks-golf.com) The Entry Fee that is collected goes toward the prize fund for that event, and for some events, may include items such as food & beverage, carts, gifts, etc.

## DEADLINE FOR TOURNAMENT:

For 18-hole events, you must register, paying in FULL, no later than 5:00 p.m. SEVEN DAYS prior to the event. For Thursday 9-hole Skins Game, you must register, paying in FULL, no later than 5:00 p.m. on the Tuesday before the event. After that point a Wait List will be generated.

## TOURNAMENT PRIZE WINNINGS:

All winnings earned in Men's League events will be awarded in the form of Golf Shop Credit and can be redeemed for golf shop merchandise only. Golf Shop Credit will be kept "on the books" in the Pro Shop. You can check your balance at anytime by checking with a member of our golf shop staff. All credit will expire on November 30th of the current year.

## TOURNAMENT PAIRINGS:

Pairings and individual Tee-Times will be available the Thursday before an event, and will be posted on the website at [www.indianpeaks-golf.com](http://www.indianpeaks-golf.com)

## TEES:

Tees will be determined based on handicap index. 0-6.9 = BLACK TEES. 7.0-14.9 = BLUE TEES. 15.0+ = GOLD TEES. Seniors (age 60+) will have the option of playing the Gold tees. Super-Seniors (age 70+) will have the option of playing the White tees. Handicaps are always adjusted to the tees played. There is an additional adjustment of handicaps necessary when players within the same flight/competition are playing from different tees, Rule 3-5 (*generally 2 strokes per tee box*).

For more info on competing from different sets of tees, visit this link:

# Individual Match Play

Entry Fee \$30/player  
Maximum field of 64 players

## Match Play Schedule (Individual)

Registration Deadline: Sunday, April 17<sup>th</sup>  
Round 1 matches completed by May 15<sup>th</sup>  
Round 2 matches completed by June 5<sup>th</sup>  
Round 3 matches completed by June 26<sup>th</sup>  
Round 4 matches completed by July 17<sup>th</sup>  
Round 5 matches completed by August 7<sup>th</sup>  
Final Match completed by August 28<sup>th</sup>

### Players losing in Round #1 will advance into the Consolation Bracket

All registered players/teams will be put into match play brackets by random draw. Brackets will be posted in the clubhouse and on the website. It is the player's responsibility to schedule matches with their opponent, and pay applicable greens fees when they play. Matches for each round must be decided by the posted deadline. Individual matches will be at 100% handicap, using the most current USGA revision. The higher handicap player(s) will "wheel off" the lower handicap player, receiving strokes where they fall on the scorecard. Players with a BYE in the first round are deemed to have won their first round match and therefore cannot advance to the Consolation Bracket should they lose in the second round.

- 1.) Matches are to be played from the BLUE TEES.
- 2.) Players with a USGA index of 15.0 or higher, or seniors age 60+, have the option of playing the GOLD TEES. Super seniors may elect to play WHITE TEES. **This option must be designated at registration and will remain in effect for the duration of the tournament.** Handicaps will be adjusted to the tees played. There is an additional adjustment of handicaps necessary when players within the same flight/competition are playing from different tees. Generally speaking this is the difference in the course ratings of the two different tees. For more info on competing from different sets of tees, visit these links:  
<http://www.usga.org/Content.aspx?id=25473>  
<http://www.usga.org/Content.aspx?id=25497>
- 3.) Matches are to be played over 18-holes, unless for reasons of time and scheduling players agree to a lesser number of holes, or another method of deciding the match.
- 4.) Matches must be decided by the posted deadline, or BOTH PLAYERS are disqualified.
- 5.) In the event of a tied match after 18 holes, play will continue beginning on original starting hole until match is decided. Any strokes received by players will apply to the same holes as in the 18 hole match.

# CGA Team Interclub

Team entry fees are paid by the Men's League. Individual players will be responsible for green fees at either Indian Peaks or the away club.

Clubs are put into groups of four, playing home and away matches vs. the other three clubs. Home and Away matches (one per month) are scheduled for May, June, and July. The top Point Winner from each group advances to the playoffs beginning in August, which culminate with the Championship round played at Common Ground Golf Course.

For each match, we field a team of 12 players (6 home & 6 away). Players must have an established USGA index at Indian Peaks by May 1, 2016. The low-index (LI) limit for Team Interclub is 18.4. Players with a higher LI are allowed to play down to an 18.4 to become eligible. Each player will use 100% of their lowest index of record for the past 12 months. Members of the 12 person team may change for each match.

A team of two players plays the opposing team of two players in a net four-ball match (better ball of partners) and each partner will also play an individual net match. Each match will be worth 2 points for a total of 6 points per group. Points are awarded as follows: 2 pts for a win, 1 pt for a tie, 0 pts for a loss.

All teams for home-and-away matches are created using the following flight format: 4 "A" players (LI 7.0 & under), 4 "B" players (LI 5.0-13.0), and 4 "C" players (LI 11.0 & up). Players may play down to a lower index in order to become eligible for a lower flight.

# The Players Championship

The Players Championship will be played on Saturday, September 10<sup>th</sup> and the Top 20 players on the Points List as of August 28<sup>th</sup> will be invited for this special event. Players that qualify will receive a FREE entry into the tournament, and will be playing for an attractive prize pool, in addition to receiving free golf cart and range balls. This will be a special event for those players who are eligible to play based on their performance and participation throughout the year. Unless already qualified, players can also earn a bid into the Players Championship by winning their flight in the Club Championship (gross champion), winning the Individual Match Play Championship, or winning the Team Match Play Championship. This is the last event to determine Player of the Year, and is worth 3X Player Points.

## PLAYER of the YEAR

**Player of the year** The player with the most Player Points after The Players Championship will be designated with this honor. Player of the Year will be rewarded with a \$100 gift card, a \$300 Range Card for practice balls, Indian Peaks logo merchandise, and other prizes making this a combined prize package of at least \$500!

5 Points are awarded for playing in the weekly Thursday Skins game

**If you no show for an event that you have registered for, you will be penalized 20 points for a tournament and 10 points for a skins game**

# Indian Peaks Men's League Handicapping

The purpose of the USGA Handicap System is to make the game of golf more enjoyable by enabling players of differing abilities to compete on an equitable basis. The System provides a fair Course Handicap for each player, regardless of ability, and adjusts a player's Handicap Index up or down as the player's game changes. At the same time, the System disregards high scores that bear little relation to the player's potential ability and promotes continuity by making a Handicap Index continuous from one playing season or year to the next. A Handicap Index is useful for all forms of play, and is issued only to individuals who are members of a licensed golf club.

Two basic premises underlie the USGA Handicap System, namely that each player will try to make the best score at every hole in every round, regardless of where the round is played, and that the player will post every acceptable round for peer review. The player and the player's Handicap Committee have joint responsibility for adhering to these premises.

**All Tournament Scores from Men's League competitions will be posted by staff for the individual player.** Players **should not** post these scores as it would result in the double-posting of scores.

## ***Reduction of Handicap Index Based on Exceptional Tournament Scores:***

A formula from the USGA is used as an alternate calculation of a *Handicap Index* for players with two or more *eligible tournament scores*. A player's *Handicap Index* may be reduced under this procedure when a player has a minimum of two *eligible tournament score* differentials that are at least 3.0 better than the player's *Handicap Index*.

To ensure your handicap is as accurate as possible, all scores should be posted, home and away. Nine-hole scores will be held by the computer and combined when another nine-hole score is posted. It takes a minimum of 5 18-hole scores to establish a handicap. The system uses your most recent 20 scores when calculating your handicap.

# Indian Peaks Men's League

## Pace of Play Guidelines and Policies

The IPML pace of play policy leaves the responsibility for maintaining the pace of play where it belongs, with you, the player. If you are the first group in the field, play efficient golf. If you are in a following group, keep up with the group in front of you and you will not have a pace of play issue. Pace of play is measured against the group in front of you (not the group behind you) and the allotted time to play each hole. It is the responsibility of everyone in the group to make sure you are in position. If your group is out of position, talk amongst your group about remedying the situation.

If you fall behind, you are expected to play efficient golf and get back into position. This might mean playing ready golf, or continuous putting, which are both allowed in stroke play. Your playing partners, the foursome behind you, and the Indian Peaks staff will thank you.

If your group is out of position, a warning will be issued to the offending player(s), giving the opportunity to catch up and get back into position. If the group fails to get caught up and back into position after a reasonable amount of time, a penalty will be incurred by the offending player(s).

### Definition of Out of Position:

**First or Lead Group:** If at any time the group completes a hole later than time allowed on the scorecard.

**Following Groups:** Has taken more time than allowed on the scorecard and is more than one full shot behind the group ahead.

### Pace of Play Penalty:

- A.) First occurrence---a warning is given that you are out-of-position.
- B.) Second occurrence--- offending player(s) penalized one stroke.
- C.) Third occurrence---offending player(s) penalized an additional two strokes

## Tips for Improving Pace of Play

1. Be aware of your position on the course in relation to the group ahead. Any large gaps indicate your group is out-of-position. *Your position on the course is directly behind the group ahead, regardless of where the group behind you is.*
2. Play ready golf anytime your group has fallen behind.
3. Hit a provisional ball for shots that may be out of bounds or lost outside a hazard. A provisional ball should be played for shots landing in native grass areas. You should never have to walk back to the tee!
4. Look for another player's ball only after you have played your shot. The time limit for a search is 5 minutes.
5. If your ball is in an area where you don't think you can play it anyway, stop searching and play your provisional.
6. Get your yardage as you are walking to your ball. Don't get to your ball and then go looking for a yardage.
7. Be ready to play when it is your turn. Have your club chosen and practice swings completed.
8. Place your bag or park your cart on the side of the green closest to the next tee.
9. Continuous putt if you won't interfere with another player's line.
10. Start lining up your putt while others are putting so that you are ready when it is your turn.
11. When you hit your drive, pay close attention to where it is heading. If possible, line it up with a tree or other landmark so you can go right to it.
12. If you can walk to your ball without disturbing your playing partners then do so. Don't cluster around the farthest ball out.
13. For best ball events, if you are out of the hole, pick up and write down your estimated score followed by an 'X'. No need to grind out an 11 when your partner is already in with a 4. For handicap purposes you can only take the maximum per ESC anyway.
14. Be ready to walk off the tee before the last person hits from the teeing ground. That way you should already be walking before his drive hits the ground.
15. Record your score on the next tee box while someone else is hitting.
16. The pace-of-play is listed on the scorecard hole-by-hole. Playing time for 18-holes should be a **maximum** of 4 hours, 28 minutes. **We always want to be ahead of this time.**
