# 2023 LEAGUE INFORMATION

- 📍 Golfers of all abilities age 18 and older are invited to play and you may choose to play 9 or 18 holes each week
- 📍 Handicap indexes of **14.9 or lower** will play from the WHITE tees, **15.0 or higher** will play RED tees
  - Both championship flights will compete from WHITE tees for the Club Championship
- 📍 Ladies' League Happy Hour all-day on Wednesdays
- 📍 The league will have a maximum of 200 members
- 📍 All league events will have Indian Peaks' shared cart policy in effect

## Tee Time Registration/Cancellation/Changes

- 📍 Tee time registration is available **online only**, 2 weeks in advance
- 📍 Tee time requests will be accepted in the order they are received
  - Registrations will open at **7am MST each Thursday**, two weeks in advance of each event
- 📍 **Please do not register anyone for play without their prior consent**
- 📍 The final tee time slot will be two and a half (2 ½) hours before sunset, to allow players to finish before dark
- 📍 The weekly tee time schedule will be posted online by end of day of the Sunday before Wednesday's play; please make any necessary changes or cancellations prior to 5 pm Monday for that week's event
- 📍 **Cancellations after Monday at 5 pm are subject to charge; Same-day cancellations will be charged**

## Handicaps/Payouts

- 📍 **WE WILL POST ALL LEAGUE SCORES FOR YOU. PLAYERS WILL NOT ENTER LEAGUE SCORES**
- 📍 For league purposes, the maximum number of strokes you can take on any hole is **DOUBLE PAR**.
- 📍 It is the players responsibility to post all scores played **outside** of the Ladies' League
- 📍 For posting rounds **outside** of the league, the maximum per hole score will depend on your handicap:
  - The World Handicap System uses "Net Double Bogey" as a replacement for the past ESC scores. This means that for posting, the most you can post per hole is a double bogey, plus your handicap strokes for that given hole.
    - Ex.) If you have a CH of 18 (1 stroke on each hole), on any hole you may post as high as a triple bogey. On a Par 4, double-bogey is a 6, plus your 1 stroke (which equals 7 total), so you can post no higher than a 7. On a Par 3, you can post up to a 6.
    - Ex.) If you have a CH of 36 (2 strokes on each hole), on any hole you may post as high as double bogey plus two. On a Par 4, double-bogey is a 6, plus your 2 strokes (which equals 8 total), so you can post no higher than an 8. On a Par 3, you can post up to a 7.
- 📍 Events will be flighted, and payouts will use a combination of Gross and Net scoring within flights, with one (1) Gross winner and four (4) Net winners per flight\* (subject to change depending on # of players)
  - Ties will be decided by a scorecard playoff, using the USGA's preferred method of sum of last 6 holes, then last 3, then the final hole, and finally by hole handicap should there still be a tie

# 2023 LEAGUE INFORMATION

## Rules of Play

- 📍 USGA rules of golf will govern all play
- 📍 **It is the player's responsibility to know and abide by the rules of play**
- 📍 Breach of rules will result in disqualification
- 📍 'Cita Rules' may be used to play just for fun: you must declare **before the start of play** that you won't use strict USGA rules and are playing just for fun but are therefore unable to win prize money for that week. *If chosen, denote 'Cita Rules' on scorecard, or simply do not turn in a scorecard upon completion of play. Weekly prize fund contributions are not optional.*

## Scoring/Rules Disputes

- 📍 Players are responsible for keeping an accurate hole-by-hole score in accordance with the USGA Rules of Golf and verifying scores with two signatures upon completion of play.
- 📍 **The official scorecards must be returned with two signatures attesting the accuracy of each player's score. It is each player's responsibility to verify correct number of strokes taken per hole.**
- 📍 Players should write in competitors' score on the *following* tee box (**not while still on the green**); settle any quick concerns at that time
- 📍 Questions about the rules or disputes must be resolved with the tournament director immediately following play and before signing the scorecard

## Prize Fund and Golf Shop Credit Awards

- 📍 Weekly prize funds will be collected and distributed based on the day's event
- 📍 Golf shop credits are good for merchandise only
  - Members may use shop credits towards special orders
- 📍 Golf shop credits will expire on November 30, 2023
- 📍 **In-Stock** Clothing & Headwear are discounted 25% for league members

## Inclement Weather

- 📍 It's going to rain a few times, so be prepared for a shower or two. Cancellation of the day's event due to inclement weather will be **solely** at the discretion of the tournament committee; you will be notified via email if the event is cancelled
- 📍 A mere *possibility* of rain does not constitute a valid reason for cancellations after 5pm on Monday prior to Wednesday's play

## Pace of Play

- 📍 9 holes should be completed in approximately **2 hours and 15 minutes**, 18 holes in 4 hours and 30 minutes
- 📍 Encourage others to keep the pace and offer tips to newer players on how to do so
- 📍 A faster pace on the course can improve your performance, and will certainly improve the experience for all of those following behind you
- 📍 ***Some quick tips include playing ready golf, taking only one practice swing, getting your yardage while others are playing, continuously putting, and leaving the flagstick in the hole while putting***

# 2023 LADIES' LEAGUE TOURNAMENT FORMATS

Formats will be flighted by handicap

## Team Scramble

Players will be grouped into teams. On each hole, all players will tee off and then choose the ball they wish to be played for the next shot. All other players will then pick up their balls and place them at the ball chosen to be played, and all hit from that spot. That process will be repeated until the ball is holed by any player. Each group will only have one score per hole. *All players must play from the same condition of turf of chosen ball: if the chosen ball is in the fairway, all players must stay in fairway, ball in rough must stay in rough, ball in sand must stay in sand...etc.* **(50% of combined handicap)**

## Mystery Holes

Players will keep score on each hole, however only three holes will count for scoring **(33% handicap)**. These holes will only be unveiled following the completion of play, so play them all as best you can since you won't know which holes will count! *18-Hole players will have 6 scores count (3 scores on front nine, 3 on back nine)*

## Best Ball

All players will play their own ball on each hole, and the best score per hole will count for the team. **(90% of individual handicap)**

## Heaven & Hell

Even holes will be played from Red Tees, you may remove the ball from sand traps without penalty (no closer to the hole), use one (1) mulligan on ANY heaven hole (only 1 mulligan per round), and have a max of 2-Putts (from once the ball is on the green).

Odd holes will be played from the White Tees, all normal USGA rules apply, and there is no maximum number of putts (putt it all the way into hole). **(Full Handicap)**

## Contest Holes

Players will play their own ball on every hole. On each hole there will be a special contest, which will win prize money. Players may win more than one contest! **(Full Handicap)**

## Beat the Pro

Players will play their own ball on each hole. The pro will play from the back tees, and all players who beat the pro's 9-hole score (with handicap) will win prize money! **(Full Handicap)** *\*\*This event is not flighted\*\**

## Individual Stroke Play

All players will keep individual scores and play with normal USGA rules. **(Full Handicap)**

## Nine & Wine

Players will play their own ball on each hole, with normal rules. Following the round, complimentary appetizer plates will be provided in the grill. *(Suggested to be paired with a delicious drink!)* **(Full Handicap)**

## 4-Club Tournament

Players will play their own ball on each hole and will be limited to only four (4) clubs of their choosing. Putter is to be counted as one of the four clubs, should you choose to use a putter. **(Full Handicap)**

*\* Entering score for handicaps are optional for this round. \**

# 2023 LADIES' LEAGUE TOURNAMENT FORMATS

Formats will be flighted by handicap

(80% of individual handicap)

## "Florida" Scramble **\*\*NEW FORMAT\*\***

Players will be grouped into teams. On each hole, all players will tee off and then choose the ball they wish to be played for the next shot. All other players will then pick up their balls and place them at the ball chosen to be played, and team members all hit from that location. **IMPORTANT: The player whose ball is selected CANNOT hit from that location.** That process will be repeated until the ball is holed. Each group will only have one score per hole. *All players must play from the same condition of turf of chosen ball: if the chosen ball is in the fairway, all players must stay in fairway, ball in rough must stay in rough, ball in sand must stay in sand...etc.* (50% of combined handicap)

## Club Championship **\*\* (2 ROUND EVENT) \*\***

Players will play their own ball on each hole, and the two-round totals will determine Flight Champions. Players **MUST** play **BOTH** rounds to be eligible for Club Championship Prizes. Players may choose to play only one of the two rounds; however, they will be ineligible to win prize money. Championship flights will compete from the white tees, with handicaps adjusted accordingly. (Full Handicap)

## Generously Modified Stableford

Players will play their own ball on every hole. Net scores relative to par will be worth different amounts of points, and the most points will win! *Eagle or better = 10 pts., Birdies = 8 pts., Pars = 5 pts., Bogeys = 3 pts., Double Bogey = 1 pt., Triple Bogey or worse = 0 pts.* (Full Handicap)

Similar to Generously Modified Stableford (see above), net scores on each hole will be worth different amounts of points, with the most points winning! *Eagle or better = 11 pts. (Touchdown w/2-pt conversion and game winning field goal), Birdies = 8 pts. (Touchdown w/ 2-pt conversion), Pars = 7 pts. (Touchdown w/ extra point), Bogeys = 6 pts. (Touchdown w/ missed extra point), Double Bogeys = 3 pts. (Field goal), and Triple bogeys or worse = -2 pts. (Safety)* (Full Handicap)
