The Individual Match Play will be formed by handicap index into 16 player brackets. We will have a Black Tee bracket(s), Blue Tee bracket(s), and Gold Tee bracket(s). Individual matches will be at 100% handicap. The higher handicap player(s) will “wheel off” the lower handicap player, receiving strokes where they fall on the scorecard. On the day of the match, players will go to the handicap computer to see their current handicap and will dot the official scorecard accordingly.

- 1.) All players must have an established handicap at the time of their first match or play with a scratch handicap.
- 2.) **Players will play the tee box assigned by flight throughout the season.**
- 3.) Matches are to be played over 18-holes at Indian Peaks Golf Course only and scheduled by the players, unless for reasons of time and scheduling players agree to a lesser number of holes, or another method of deciding the match.
- 4.) Matches must be decided by the posted deadline or a coin flip will be used to decide the match.
- 5.) In the event of a tied match after 18 holes, play will continue beginning on original starting hole until match is decided. Any strokes received by players will apply to the same holes as in the 18-hole match.
