

For The User That Booked The Tee Time

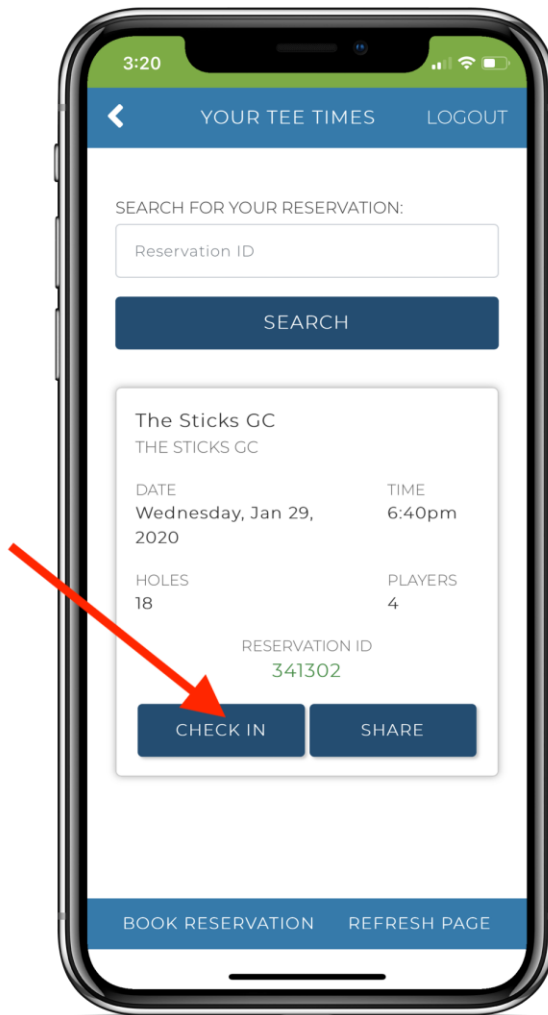

1. Open the app.
2. On the home screen, click **Check In Now**.

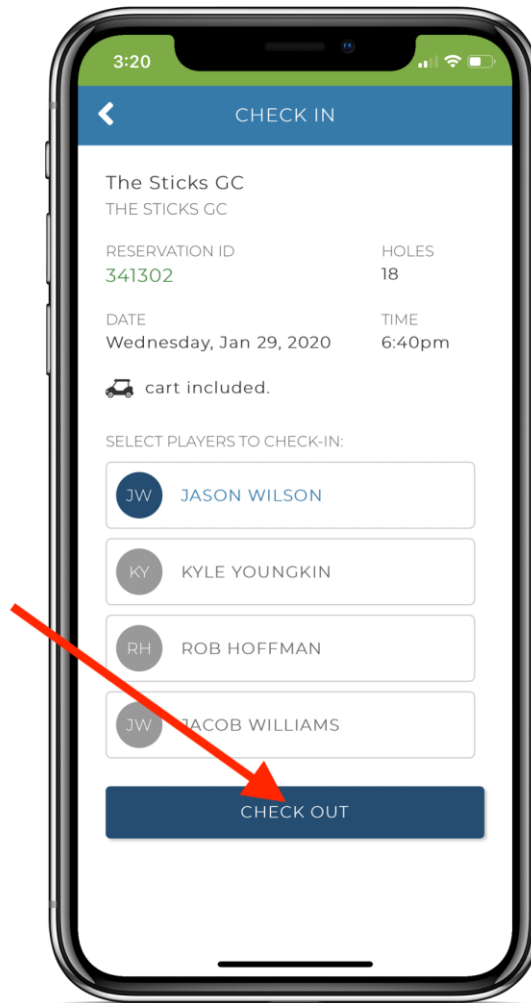

3. If you haven't already, enter your login information and click **Stay logged in**

4. Once within the portal, click **Check In** below the applicable tee time.

5. On the ensuing page, select any players you'd like to check-in for, click **Check Out**.

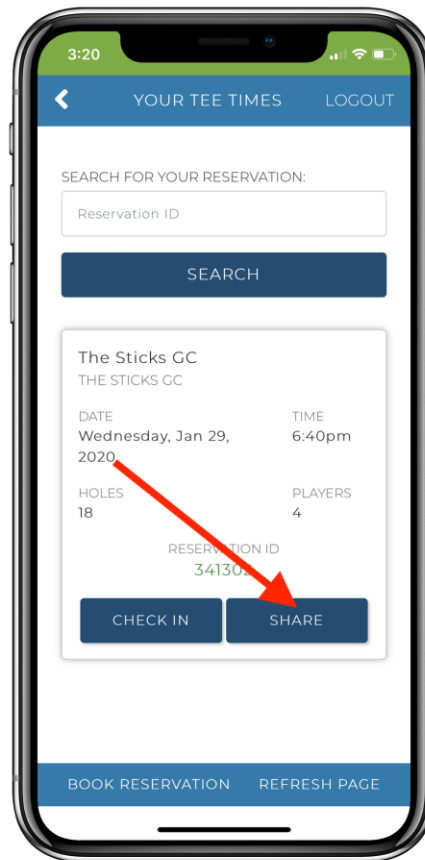

6. Enter the proper payment information, then click **Submit**. We suggest **Saving Credit Card** info for quicker check out next time.

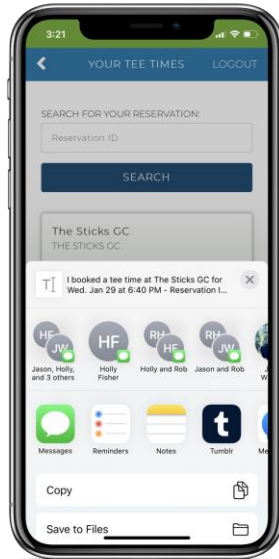

The image shows a smartphone screen with a payment form. The form is titled "PAYMENT" and has a back arrow on the left. Below the title, it says "PLEASE ENTER CREDIT CARD DETAILS". The form contains several input fields: "Card Holder", "Card Number", "Postal Code", "Street Address", "Exp." (with a dropdown menu showing "2020"), and "CVV". There is also a checkbox labeled "Save Credit Card". At the bottom of the form is a blue button labeled "SUBMIT". A red arrow points from the left side of the screen towards the "SUBMIT" button.

For The User That Didn't Book The Tee Time

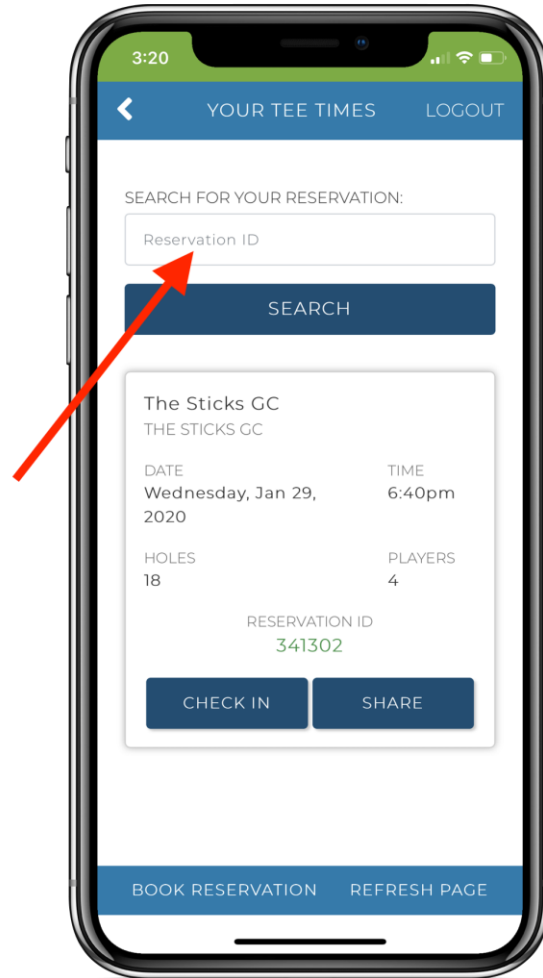

1. Have the user that booked the tee time open the app.
2. On the home screen, click **Share**.

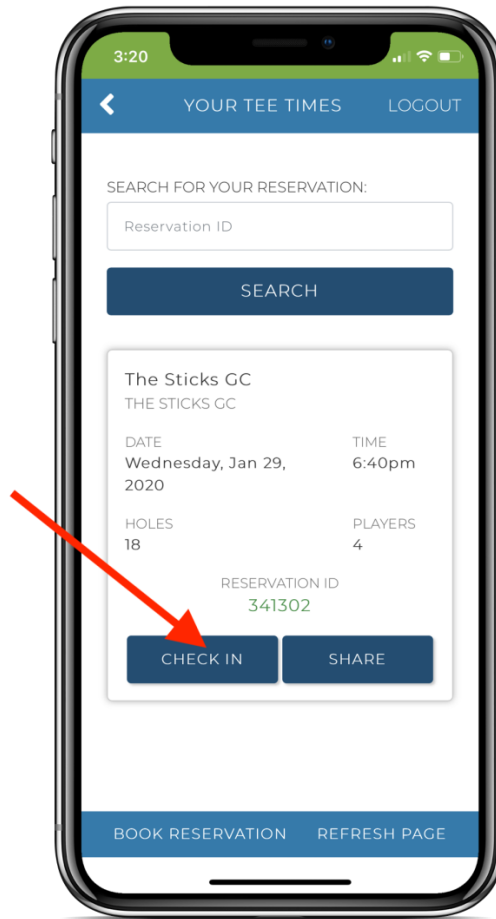

3. **Select the method** you'd like to use to share the Reservation ID. These include text messaging and email.

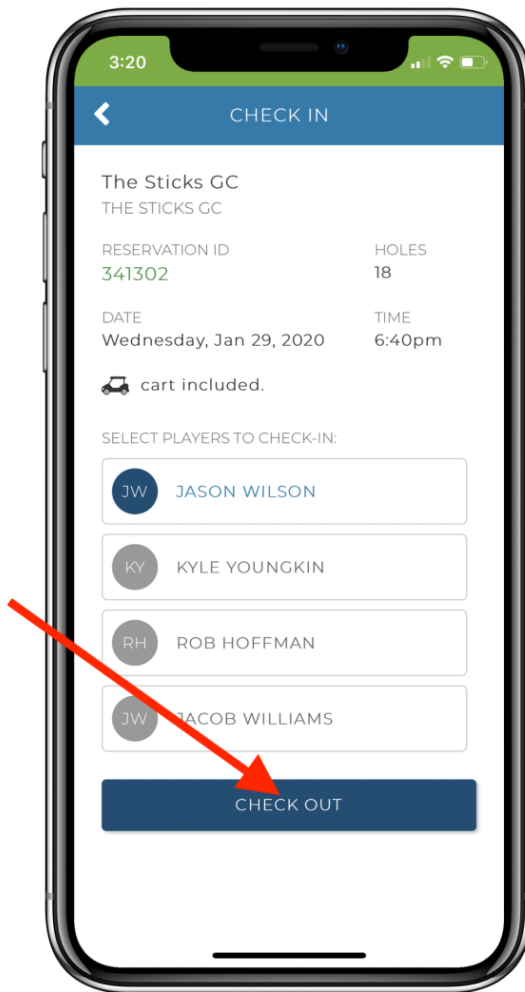

4. Once the new user has received the message, follow step 1 and enter the **Reservation ID** in the top of the page, then click **Search**.

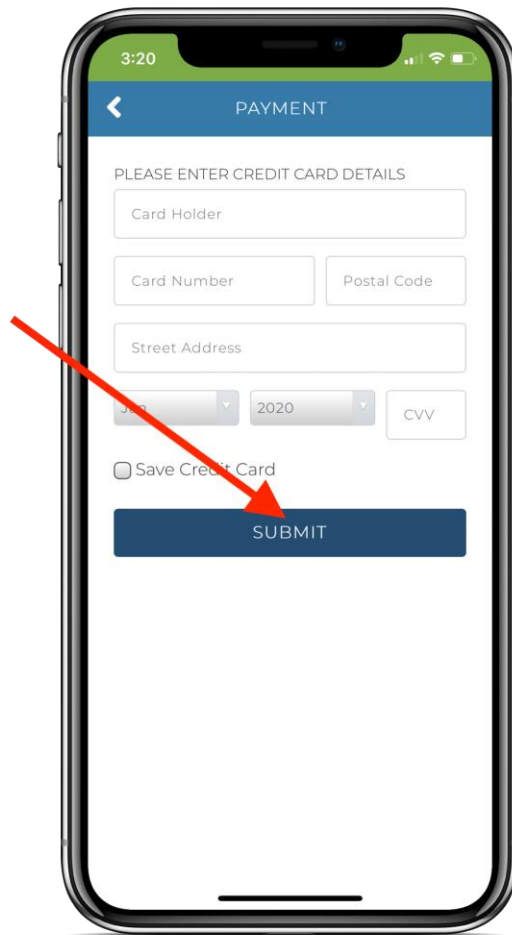

5. Click **Check In** below the applicable tee time.

6. On the ensuing page, **select any players you'd like to check-in for**, click **Check Out**.

7. Enter the proper payment information, then click **Submit**.

8. We suggest **Saving Credit Card** info for quicker check out next time

Done!
